# 2nd National Conference of the MLP, USA

The Second National Conference of the Marxist-Leninist Party was held in fall 1984 under the militant slogans "Deeper among the masses — build the Marxist-Leninist Party!" and "Carry forward the struggle against racism and national oppression— arcsim and national oppression— arcsim and national oppression— arcsim and national operational period for the revolutionary movement. Today the capitalist class is on a major offensive against the working masses. It has inflicted a number of reverse upon the working class, and it is verse tupon the working class, and it is received to the control of the contr

a low ebb.

In this situation, the revisionists and opportunists of every stripe have deepment their liquidationist treachery, need their liquidationist treachery, need their liquidationist treachery, and the strength of standard-bearer Mondale. Others standard-bearer Mondale. Others blushed a bit, but fell in behind Jesse blushed a bit, but fell in behind Jesse credibility of the Democratic Party but and some others formally avoided endorsing the Democratic Party, but sighed after the Democratic Party but sighed after the Democratic Party liberals and Jesse Jackson, praising objects and Jesse Jackson, praising objects and saying they would support them if only they posed as "independents." The opportunists munifolds a bit about the proper supportunists munifolds a bit about only the proper supportunists munifolds a bit about over the proper supportunists munifolds a bit about over the proper supportunists munifolds a bit about over the proper supportunists and the trade unino bureaucrats enslave the people behind capitalist but the practice that after munifolds and the trade unino bureaucrats enslaves the people behind capitalist politics, and the trade unino bureaucrats enslaves of the property and the property of the pro

to reformist politics and they talk of revolution, but they claim that nothing can really be done among the masses. Holding in essence that "the working class has sold out," they have de-spaired of communist organizing in the factories and of work among the broad-est masses of the working masses in accuracy to communic equation in the accuracy and off-work among the broad-factories and off-work among the broad-general, denouncing it as a reformist same. They instead retreat to waiting pur-tuated with some semi-anarchist spouting. In essence, these oppor-tunists agree with the mainstream opportunists about work in the Demo-cratic Party or at least take up liberal or any way among the masses, the other says that in order to tay the to the says that in order to tay the to the says that in order to tay the to the says that in order to tay the to the says that in order to tay the tay the standpoint of organizing the masses for the class struggle, the talk of revo-lation becomes empty posturing and lution becomes empty posturing and collapses into illusions in this or that liberal, pacifist, reformist or even clerical trend that shows some "ac-

factories to the struggle against racism, showing both the importance of organizing the black workers into control of the black struggle and the role of the black community against racism. And the conference dealt with the question of the student movement as well as discussed the Theoremson and the revolutionary black organization of the 196% and 1970's. The history of the mass uprovides many valuable lessons to guide the struggle of the black working masses sought to the black working masses sought to the black working masses to revolutionary work. During this period the black working masses to great with the mistaken orientations, such as protectionary life and to find ways to deal with the mistaken orientations, such as the struggle. The exact forms of organization that arise in the future will undoubtedly be different, but the lessons on how to guide the mass truggle are of great significance.

The conference also reviewed the struggle of the working masses of continuity and the proper of the properties of the struggle. The exact forms of organization that arise in the future will undoubtedly be different, but the lessons on how to guide the mass truggle are of great significance.

The conference also reviewed the struggle of the

still foster liquidationist, pacifist and spetty-bourgeois nationalist orientations: on the norms for relations between Marsist-Leninist parties, and the spetty-bourgeoist consists needed for strengthening the limits needed for strengthening the movement. In noted that these decisions have proved to have been both movement and the strengthening the Marsist-Ieninist theoretical foundation of our Party and for dealing with the burning issues agitating Marsist-Leninist parties all over the world.

militant proletarian internationalism.

It resolved to continue the path of working as one contingent of the world proletarian army that has characterized our Party from the start, and of continuing to strive hard to do our part

continuing to strive hard to do our part in strengthening the international Maxist-Leninist movement. It sent its revolutionary greetings to the Party of Labor of Albania and to the fraternal Communist Party of Labor of the Dominiscan Republic. It expressed internationalist support for the fraternal contrades of the Movement of Popular Action/Maxist-Leninist (MAPand contrades of use doverment or rop-man contrades of use doverment or rop-similarly to continue the revolution in one of the world's host pasts, revolutionary Nicaragua, by organizing the forces of the profetariat and poor peasantry against U.S. imperaitist aggression, against the treacherous internal bour-against the treacherous internal bour-against the treacherous internal bour-vacillating petty-bourgeois course of the Sandinistst. And it sent ardent regards to the communists of all lands, striving to build up genuine profe-tatian communist parties where they don't casts and to further strengthen they do exist.

The conference was attended by all members of the Marrist-Leninist Party. It was narked by the large

The conference was attended by all members of the Marrist-Leninist Party. It was marked by the large amount of work accomplished, the militant spirit, and the steel-like soldidity of the ranks of the Party. Its success is another indication of the value of the resolutions and decisions of the Second Congress, and of the communist spirit, hard work and self-sacrifice of the rank-and-file members of our Party in the midst of the canicommands spirit, native work also selected and considerable and the capitalist offensive and the trackery of our Party in the midst of the capitalist offensive and the trackery of a revolutionary party, linked with the masses, neither complacent about the dangers and hardship of work at the present time, not losing spirit the present time, not losing spirit the present time, not losing spirit that and the revolutionary perspectives so vividy portrayed by the Mazzist-Leininist teachings. Deeper among the masses — build the Mazzist-Leininist Partyl. A state of the passing the passing of t

preventing the liquidation of various mass actions, in the further develop-ment of revolutionary theory and the carrying forward of the fight against re-visionism and opportunism, and in hold-ing high the banner of class struggle and building the party deep among the working people. It discussed how toys tematize the methods of work needed in

The Worker' Advocate to enhance ta-tile as the voice of the class conscious vanguard of the working class.

The bourgeoistic constantly bombards-bourgeois press, TV, radio and movies, through the schools and the pulpis, the bourgeois propagandists glority the system of explostation and poison the system of explostation and the system can of the working poople. They try to present the people as a reactionary name, and they do their best, whenever possible. To like the news about the possible, To like the news about the possible of the news about the news about the possible of the news about the news about the possible of the news about the news about the possible of the news about the news about the possible of the news about the news about the possible of the news about the news ab

the present period and to further im-plement the tactical lines from the Second Congress of the Party. The Second National Conference calls for steadfast revolutionary work to fight

up the weapons of mass struggle, of organization, and of Marxist-Leninist theory and build an independent political movement of the working class. It is essential to carry forward the tasks of party-building and strengthen the prolessian political party, the Marist-Leninist party, the highest form of proletarian class organization.

### On 'The Workers' Advocate'

The Second National Conference held that the strengthening of the workers' press is an essential task in the present period. It discussed measures to modify The Workers' Advocate to enhance its role as the voice of the class conscious

ers' Advocate'

traditions of the working class press of the past and served as the voice of the past and served as the voice of the past and served as the voice of the Party. It is not to the Marsial Calmist Pary on January 1, 1980, it has continued these traditions and served as the voice of the Party. It has carried out political traditions and served as the voice of the Party. It has carried out political in the past of the Party. It has carried out political in the past of the Party. It has carried out political in the struggles of the weders and peasants of other ands against their local expoleration of the party of the past of

### Against Racism and National Oppression

The capitalist offensive has been narked by the most disgusting racism. And American capitalism has always seen known for its racism and oppres-tion of other nationalities. From the en-layement of the blacks and massacres of the Native people to the ghettoes of oday for blacks, Latinos and others, rom the chauvinist hysteria about the 'yellow peril' to today's hysteria about today for blacks, Latinos and others, from the chavitist hysteria about the "yellow peril" to today's hysteria about "llegal aliens," from the oppression of the rational minorities and immigrants in the U.S., it is a history of merciless super-exploitation and oppression. Only mass struggle, such as the great move-ments and rebellions of the 196%, has been the salvation of the oppressed nationalities.

room the chauvisite hysteria about the 'yellow peril' to today's byteria but the 'University of the countries to the oppression of other countries to the oppression of other countries to the oppression of the countries to the oppression and oppression. The countries the U.S., it is a history of mercilens typer-exploitation and oppression and oppression and oppression. The countries of the today has struggle, such as the great movements and rebellines of the 1969, and the oppressed nationalities, are to the oppressed nationalities. Today the capitalists are seeking to take away the concessions they were concession of the schools, work places and communities, to eliminate the limit of the communities of the communit
